I didn't have any particular comments on the Pavillion section- it's pretty general. Seems odd that nobody had heard about this response and exit conference... thanks for checking in.

SENSITIVE Document ... DO NOT DISSEMINATE

We just received this document. It is the close out document from the GAO review of GAO Job Code 361350 Energy Resources and Risks Associated with Hydraulic Fracturing,

Please review it immediately and send me any comments/concerns BY COB today. We would like to have a single voice from ORD, and the regions, and to brief the 3rd floor before we respond to GAO.

I'm very sorry for the short turnaround. I just learned 5 minutes ago that the exit conference is currently scheduled for today scheduled for May 22, 2012, 1:00-2:00 pm. (ORD had not been informed about the meeting) We are trying to get a reasonable extension.

Thanks!

Jeanne
